

vides

*halloween
tous ces temples fantômes*

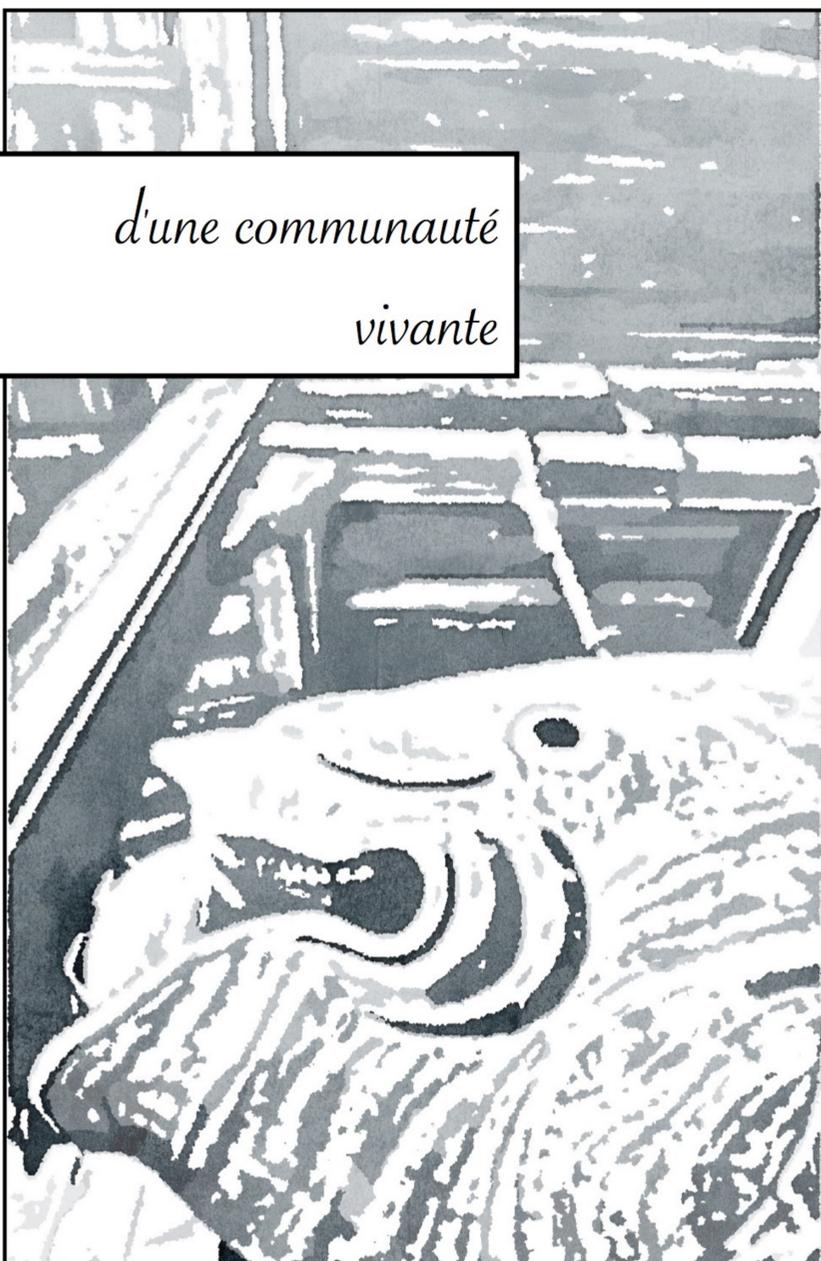

*dans la malle d'un
mort*

comme des coquilles de noix

*d'une communauté
vivante*

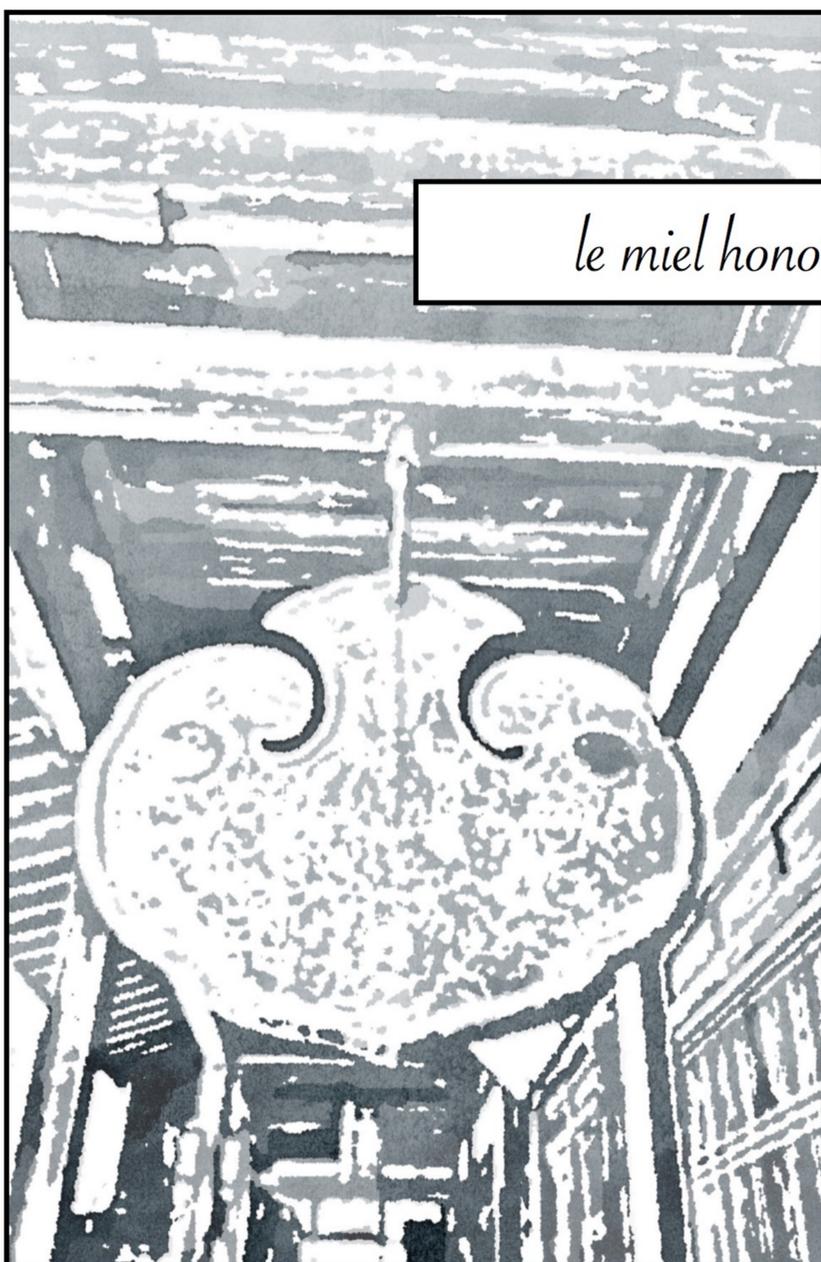

*aucun croyant
pour scander*

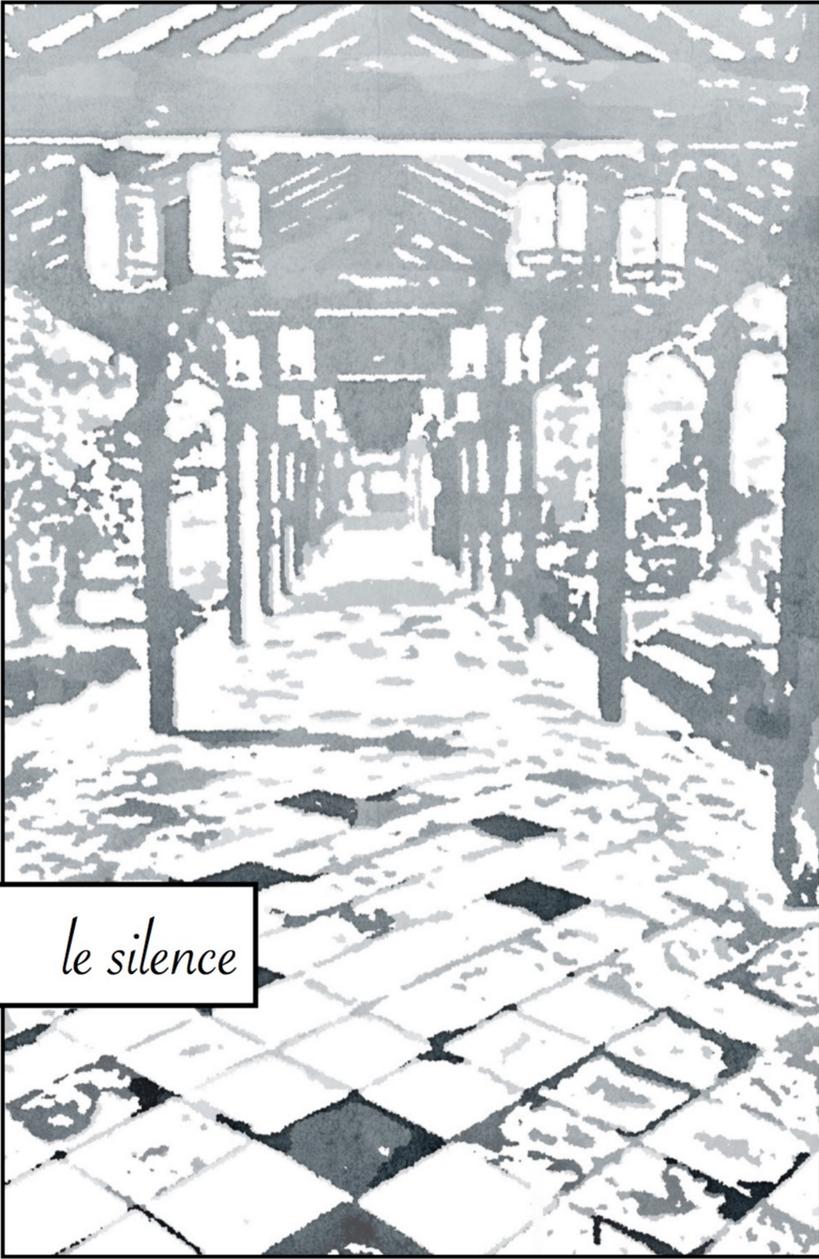

*réunie par l'espoir
et les peines*

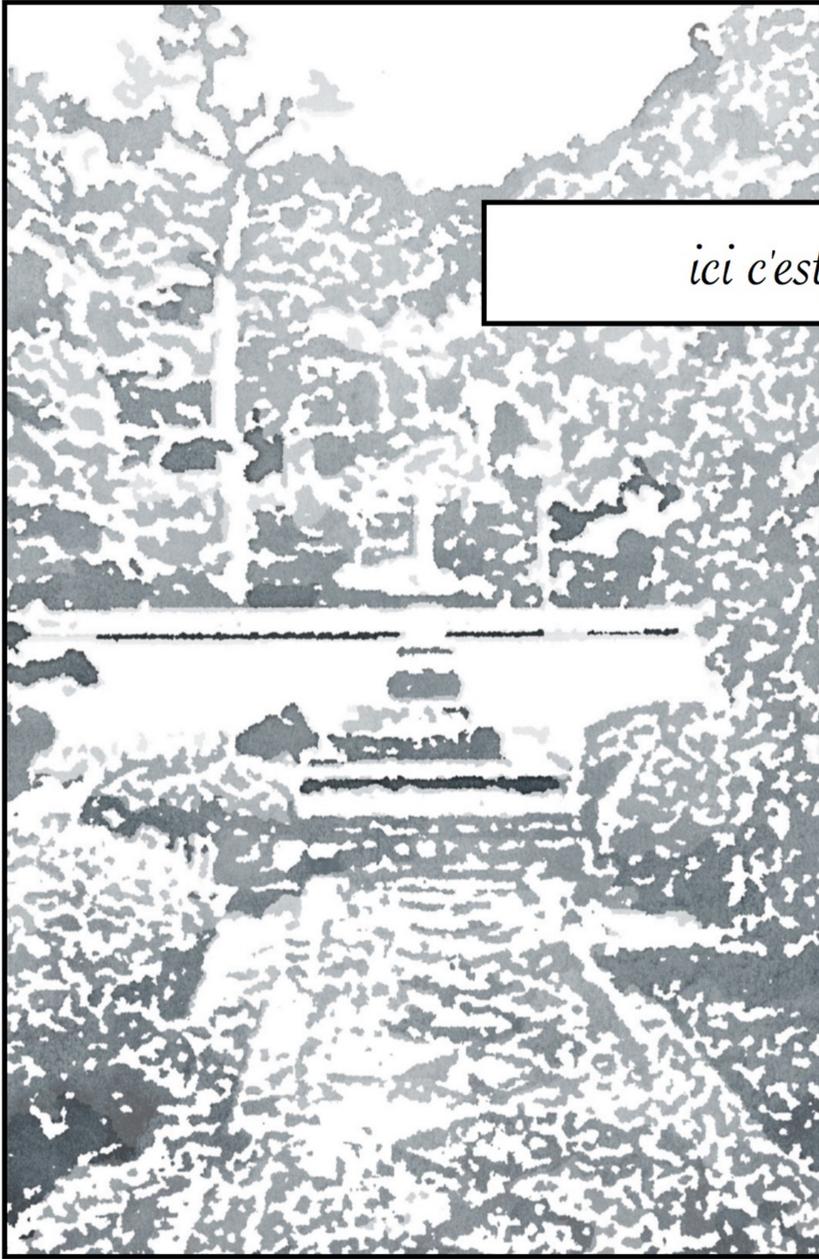

le miel honorant

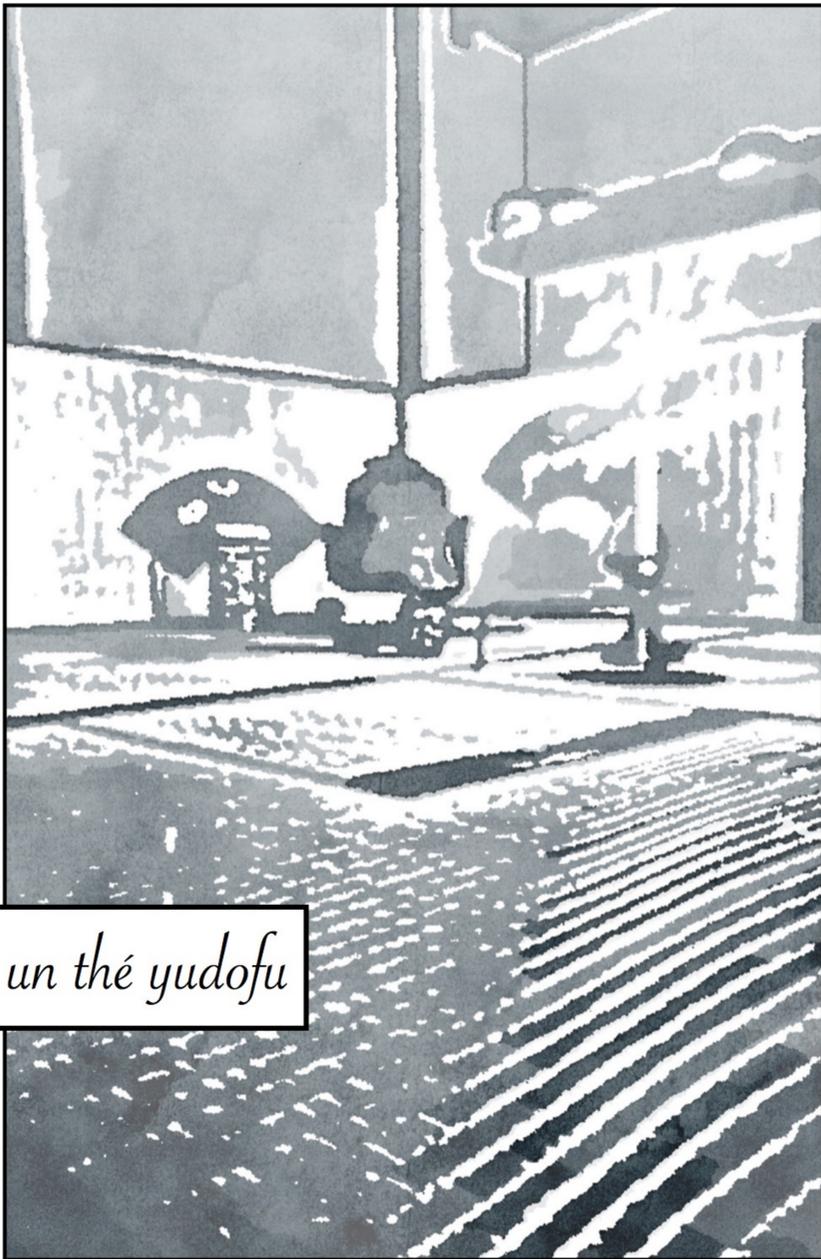

le silence

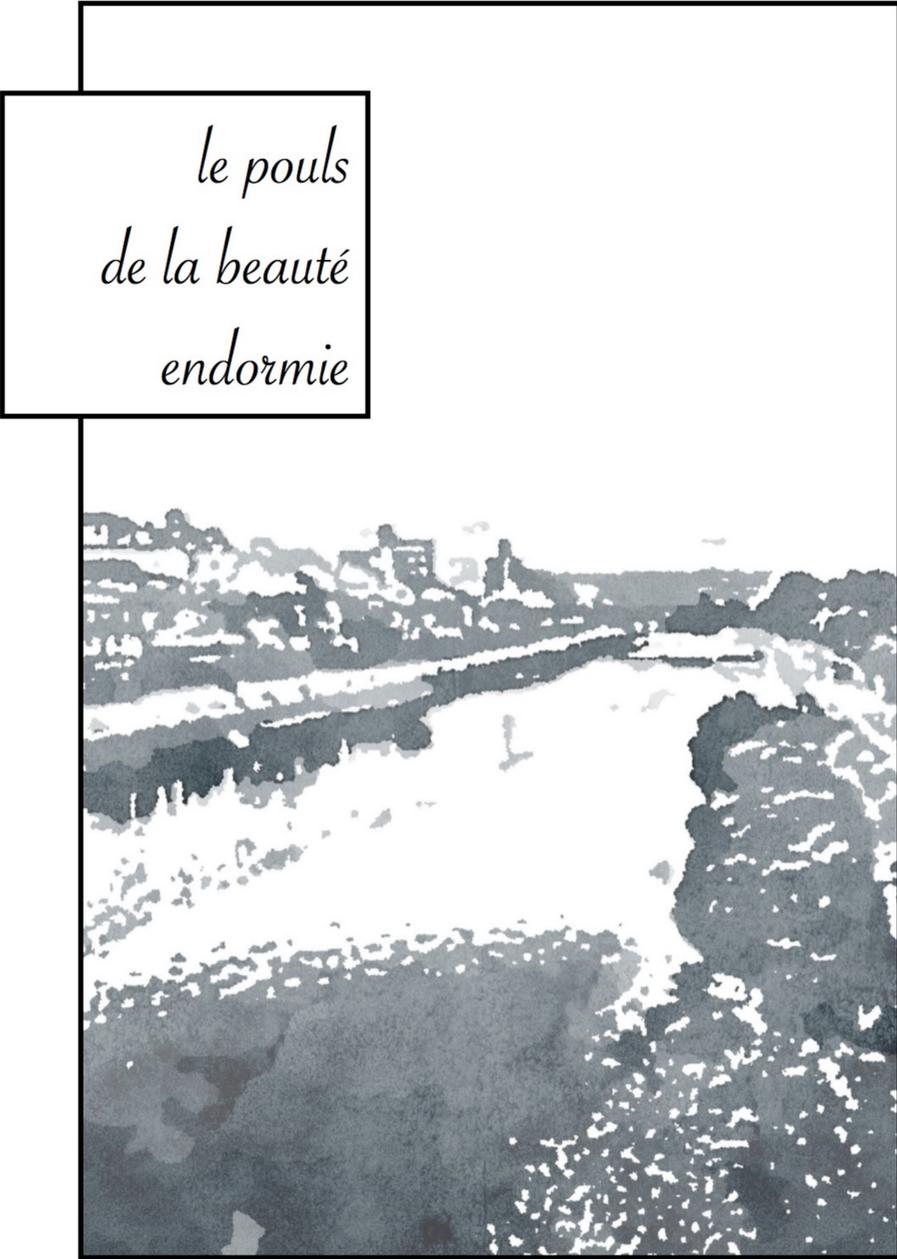

ici c'est fini

dit

un thé yudofu

*le poul
de la beauté
endormie*
